In these times of severe budget cuts, the PTA plays a crucial role in filling the funding gaps at Murwood. Thanks to the money we raise through fundraisers such as the auction, our students have access to invaluable programs such as the Science Lab, the Murwood News Network, and Soul Shoppe. We also fund basics such as school supplies, library books, and playground equipment.

We are very proud of our diverse public school. In May 2008, Murwood was recognized as a “Distinguished California School” which “honors some of the state’s most exemplary and inspiring public schools.” We believe this award is a direct reflection of the extraordinary teamwork between our quality teaching staff and our supportive families. These are the building blocks of an exceptional educational experience for our children.
